EDUCATION

- Bachelor of Science, Major Aerospace Engineering (2022)**
SDSU, San Diego, California, GPA: 3.0 2019 - 2023
- Graduation, 2023
- Associate Degree (Transfer), Math and Science (May 2018)**
Mira Costa College, Oceanside, CA, GPA: 3.7 2015 - 2018
- High School**
Sterling High School, Somerdale, NJ 2005 - 2009

RELATED COURSEWORK

Differential Equations Linear Algebra Calculus I-III Physics I-III Design: Solid Modeling
Methods of Analysis

EXPERIENCE

Northrop Grumman, San Diego, CA (July 2018 – January 2019)

Assembler

- Proficient at assembling advanced level cable assemblies
- Understand how to read drawings that are provided from the engineers
- Work directly with engineers to resolve various problems we encounter

Starbucks: Vista, CA (May 2015– September 2017)

Barista/ Cashier

- Improved upon my teamwork and leadership skills by working with coworkers to complete assigned tasks under time restraints
- Provided outstanding customer service skills through effective and positive engagement with customers
- Tasked with accounting for and organizing the tips because of my honesty and skill with numbers.
- Assigned with the opening of the store because of my organizational skills and reliability

USMC: Camp Pendleton, CA (January 2011- January 2015)

Infantry Team Leader

- Advanced technical and leadership training (close group of four) led 100% success deployment **NUMBERS AND CATEGORIES**
- Ability to manage and supervise teams and direct day-to-day work activity
- Excellent time management
- Excel in high-stress environment
- Complex problem solving
- Able to adapt to change

RELEVANT ACTIVITIES/LEADERSHIP

- Fluids System Engineer in SDSU's Rocket Project: designed a quick disconnect for the fuel line.
- Infantry Team Leader: Trained four junior marines, deployed with them, and brought them home safely. I learned different tactics as a leader to unite the team and succeed as one.

- Meritoriously promoted twice ahead of normal timeline while in service because I displayed exemplary behavior, efficiency, and leadership traits to my superiors
- Excellent communication skills, both interpersonal and presentation style

SKILLS AND CERTIFICATIONS

- CAD Software: SolidWorks and Creo Parametric.
- Computer: MATLAB, Microsoft Word, Excel, PowerPoint, Adobe Acrobat and Photoshop, including both PC and Mac
